

The Chilterns Hundred Members' Exhibition

12th March 2023

Catalogue

About the Exhibition

The Chilterns Hundred Members Exhibition was originally for prints where any member of a Chilterns Association club could submit, a selection committee chose one hundred prints, and there was an Exhibition.

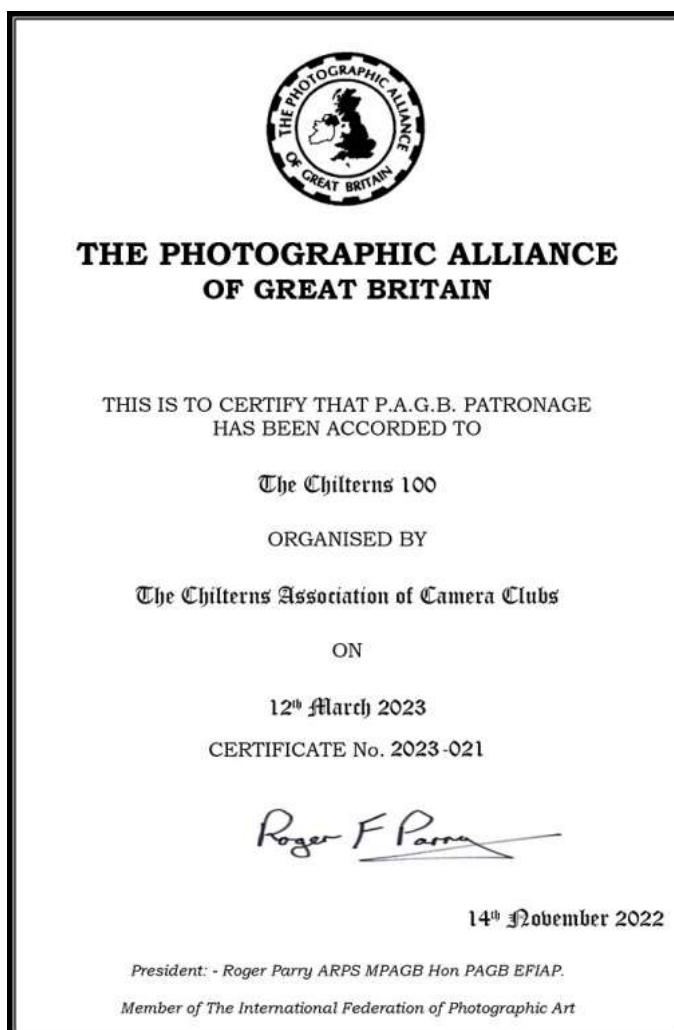

It became more difficult to organise print Exhibition space. With the advent of digital projection, the event remained for individual entry with a limit of one image each and all the entries were deemed exhibited.

The first digital year was 2008 when the event was called 'Strictly Digital'. From 2009 the event has been called 'The Chilterns Hundred Members Exhibition' and has held Patronage from the Photographic Alliance of Great Britain.

Under Patronage, the three judges award a PAGB Gold Medal, a PAGB Silver Medal, a PAGB Bronze Medal, and three PAGB Ribbons.

Statement by the Organisers

The CACC would like to apologise to all entrants of the Chilterns 100 exhibition. Due to a key member of the team being in hospital on the day, a mistake was made which meant the scores were lost and cannot be recovered. The CACC has already implemented a new version of software to ensure this cannot happen again.

Judges:

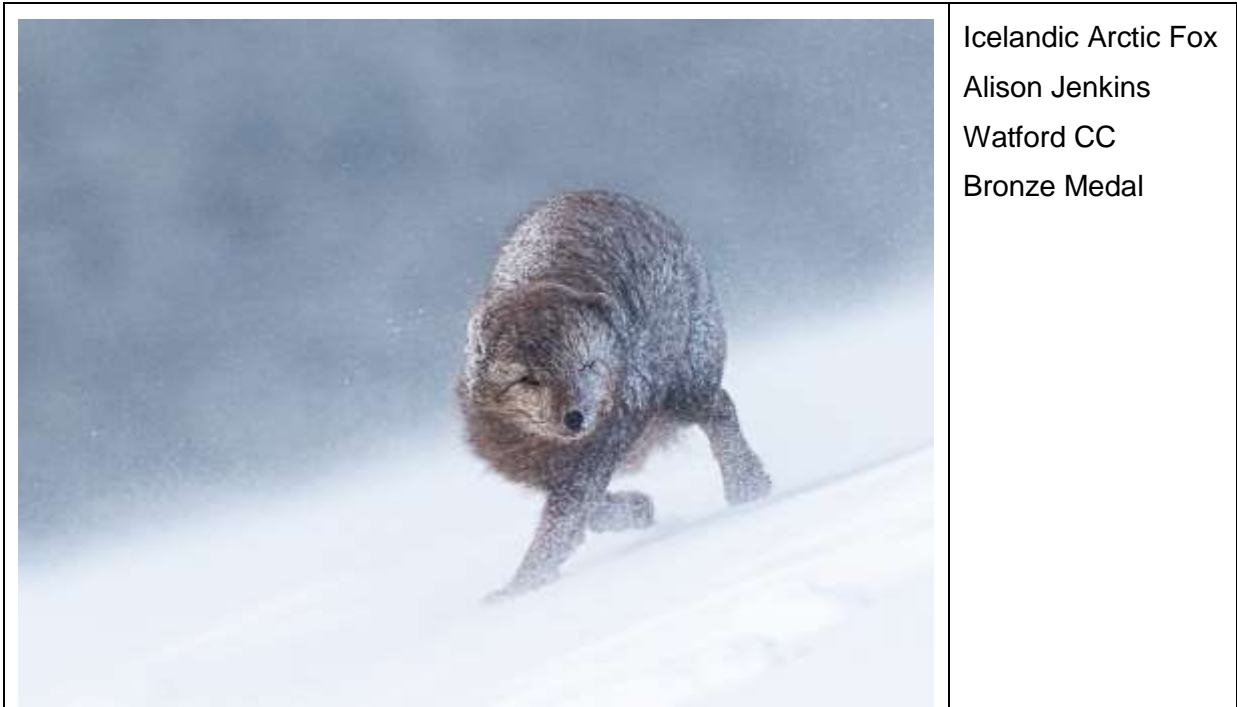

- Caroline Colegate ARPS APAGB (SCPF)
