General Conditions for CACC Competition Events

These General Conditions apply to all competitions and exhibitions ('Events') organised by the Association (CACC).

The CACC Committee can make changes or decisions at their discretion for the effective running of Events, and normally delegates this to an individual Event organiser.

CACC events are open to all Clubs in CACC, and to the members within those Clubs.

To participate, Clubs must submit an entry by the date published in the Calendar. Clubs must comply with the specific rules of each Event, and with the administrative arrangements set out by the Event organiser.

By entering, the Photographer consents to the retention and onward use by CACC of information identifying the Photographer as the creator of an Image. Where a Club is the Entrant on behalf of multiple Photographers, then the Entrant warrants that each Photographer has consented to the retention and onward use of identifying information as if the Photographer had entered in person.

CACC will take all reasonable care in the handling of media (prints and digital), but cannot accept responsibility for loss, theft or damage.

The CACC may make free use of any image submitted to events eg, for publicity or catalogues, while respecting and citing the copyright of the photographer.

Photographers

Photographers (Club members) may only enter each CACC Event via one Club. Clubs are responsible for verifying their members' eligibility.

Images

All Images must be entirely the work of the Photographer and all component parts of each Image selected by and under the control of the Photographer. For the avoidance of doubt, use of images from any other source including, but not limited to, royalty free image banks and clipart are not permitted.

An Image, including the front of a print mount, must not display any of the Photographer's name, their Club or their Federation.

Altering the image file size eg, to match projection, converting the colour space of an image file, or printing of an image, may be done by another person or organisation, or by the Club when preparing the image for submission.

An image which is sufficiently similar to one previously entered to an Event may be considered ineligible. Colour and monochrome versions of an image are likely to be considered the same for this purpose.
